Next Level Soccer Academy is pleased to announce its 4th Annual Soccer Camp for boys, ages 7-14. Geared toward the competitive soccer player, the camp will focus on teamwork and individual skill development in an environment that is safe and enjoyable for all participants. Campers will hone their soccer skills each day with a variety of individual and small group training exercises capped daily with a full-sided match against other camp participants.

We are also offering a “Little Kickers” camp for boys and girls ages 4 – 6. This is a half-day, morning session camp intended for children of all abilities. The focus will be on skill development and progression in a fun environment.

Camp director Chad Bridges is a graduate of The Pennington School and of Drew University. Bridges coached the Pennington Middle School soccer team to an undefeated season in 2006 and has compiled a record of 27-2-2 in his first three seasons with the program. Bridges is a nationally licensed coach who founded the Next Level Soccer Academy with teams ranked in the top 10 in the state of New Jersey. The NLSA staff includes nationally licensed coaches, current high school players, college soccer standouts, and All-American athletes. The camp will also feature guest appearances from top high school and college coaches.
